

€25,000 FUNDING

Fondation
Le Lous

SOUS ÉGIDE
DE LA FONDATION
DE FRANCE

**Do you have the desire
to make a change to local
practice or contribute
to the knowledge base
of wound care?**

**Would you like funding
and support to make
this happen?**

**If so, the Foundation
Le Lous could help.**

Established by Herve Le Lous, Chairman of Laboratoires Urgo, this non profit making foundation offers clinicians and researchers the opportunity of funding for the development of a local project which will be of benefit to the wound care community.

The annual Prize fund is **€25,000** and will be awarded by the UK Board in two subject areas: Clinical and Scientific.

Mentorship and support will be available to successful applicants.

Closing date 30th May 2008

Prizes will be awarded in September and presented at Wounds UK Annual Conference in November.
