Thetford Leg Club's News Letter
Nov/Dec 2017

It's nearly time for Alison to have her baby, we all wish her the very best and hopefully she will bring the little one in for us to see. Don't forget if you haven't had a go or would like a go of guess the baby's weight, ask one of the volunteers. We will let you know the winner as soon as we know.

It is nice to see nurse Kelly back with us again after leaving to have Benny, he is 8 months old already, she is only doing a few sessions at the Leg Club before returning in March 2018.

There is a suspicion that another one of our nurses is pregnant, will give more news next time. (There must be something in the water around here.)

I was very pleased and honoured to learn I have been awarded a Lindsay Leg Club award from Ellie Lindsay OBE our leg club president. I have no hesitation in recognising that it is a team effort as all the volunteers are working hard towards the running of our club that has made this possible. We work well with the nurses the main reason for the Leg Club of course.

Ellie has requested some photos for the Leg Club website. Maybe some of the members would be willing for this to happen.

This year we have been asked to enter the Methodist Church's Christmas tree display in December between the 12th and 20th. The theme is "Happy Christmas Thetford" We will decorate a tree to represent the Leg Club, as well as many other clubs and businesses entering too for charity. The Church display is lovely and well worth a visit, so pop along and have a look.

☺ Thank you for your support with your donations and buying teas/cakes and tombola tickets with a draw for the Christmas hamper. You have been very generous but please continue to support us, we need your help to keep the leg club going so the nurses can continue their good work.

The Hamper Draw will be on 13th Dec 2017

Lastly, we are very sorry to hear Monty died on the last day of October aged 85, he was our treasurer's dad and carer, a real gentleman and will be missed very much. We send Frank and family our sincere condolences. We hope he will be able to visit the club again soon.

Best wishes and kind regards to you all from us volunteers:
Frank, Jill, Linda, Nicky, Ted and Wayne.
