Thetford Leg Club's
January 2018 News Letter

January is nearly over already, and the Christmas and New Year activities seem far away now. I would like to **wish you all the very best for 2018.**

I hope you are over this flu epidemic or have escaped it altogether, as many of us seem to have caught some bug or another.

The news of Ellie's husband's death was very sad, our **condolences go out to her**. Richard was a lovely man and we were pleased to have met him at our club on one occasion.

You may have noticed the **leaflet stand and magazine rack**, these are to keep the table tidy. Also, it gives you room for your teas and cakes etc. You are welcome to help yourself to the leaflets/mags to either read or take home with you, some of the leaflets could be of some help.

We would like to **congratulate our nurses** for passing their **annual Infection Control,** they have received a certificate, we are very proud of them and hope they continue their excellent work at our Leg Club. Look out for the **certificate** on display. We would take photos of the nurses, but their nursing trust does not allow this.

Alison gave birth to her **beautiful baby girl** in November, she managed to bring her in to see us, she really is lovely, they have called her **Josie**, she weighed **7lb 5oz.**

Thetford Leg Club's
January 2018 News Letter

The lucky winner of "guess the babies weight" was Christine Brown who won the £10, she was pleased with her winnings. We took a photo of her receiving the money, but she was worried how she looked because it was a cold and windy day. She kindly took a photo of us volunteers. (see both pics below.)

Another nurse **Rebecca is due her baby towards the end of March**, she is expecting a girl, she already has a little girl of 3 years. We wish her and all the family all the very best. We hope she will bring both children in to see us.

Our Christmas tombola with the **hamper** the best prize, managed to **raise £75**, we were very pleased with the effort and all your support – also Nicky's home-made cakes **raised £35** too during the same time. Thank you all for buying either the tickets or cakes, we do appreciate it, together with **your generous donations** as all funds go towards the running of our club.

Thetford Leg Club's
January 2018 News Letter

A Christmas tree represented our Leg Club for the Church display, together with all the other clubs and businesses trees, I think there were about 70 altogether. Jill, Nicky and myself decorated the stockings depicting the leg club, Ted and Wayne brought in other decorations, we had more decorations than I thought we would have, so next Christmas we may try and get a larger tree.

Well take care until next time!

Best Wishes to you all from us volunteers:
Frank, Jill, Linda, Nicky, Ted and Wayne.

Linda Wood – Club Secretary
