woundclub

online 2020 is here...

Introducing Wound Club Online: a **quick, convenient and complementary educational resource**, built by clinicians for clinicians, to help enhance knowledge and refresh understanding of the **key areas of wound management.**

Just added! Module 1: The Skin.

Visit the Smith+Nephew YouTube channel

to be the first to watch.

Wound Club Online hosts a series of short, free videos for individual or team training which are **released weekly.**

5-minute and 15-minute options are offered on a range of subjects relevant to daily practice. On completion of our 15 minute modules, a certificate will be available for **CPD revalidation**.
