

Llandrindod Wells Leg Club invited Kirsty Williams AM (the local Welsh Assembly Member) to visit the meeting of the leg club on Thursday 25th January. She was accompanied by the Town Mayor and other dignitaries. A special cake was baked for the event. Kirsty was very impressed and is going to report back to the Welsh Assembly in Cardiff.

This was our busiest session so far with 26 members and 6 new ones. In 4 months the Llandrindod Wells Leg Club has grown to 61 members.

The volunteers have been active with fund raising and have just raised £1,800 by running a temporary charity shop for 2 weeks.

There is also a country and western evening planned for Friday 9th February.

On Thursday 1st February, Jessie Bergstrom (District Nurse Team Leader) is giving a talk on the Leg Club to a wound care study day organised by the Rural Health Institute.

Regards

Jessie

Leg Club Secretary
