

Thetford Leg Club

We celebrated our 2nd successful year July 2005 and our membership has increased to over 300.

Our Leg club lead gave an interview to the local press highlighting the clubs aims and developments for the future. This encouraged new membership.

We have had 43 new members who have joined throughout last year (Remember No appointment necessary)

In October 2005 a committee member and 2 of the nurses went to the House of Lords to be present for the Launch of the Leg club Foundation.
