

Celebrating our belated Silver Jubilee by acknowledging the Leg Club

In September 2022, we will belatedly commemorate our Silver Jubilee and it's more important than ever that we hear and celebrate our volunteers' stories as they are an integral part to our success and longevity.

Acts of positivity, kindness, and generosity by our Leg Club volunteers have always made a massive difference to our Leg Club members. However, their contributions have been particularly valuable over the last two difficult years when COVID-19 has cast a shadow over all our lives and exacerbated the issue of social isolation which many of our Leg Club members experience.

That is why we are asking all Leg Club clinical teams to nominate volunteers who have made a difference to the lives of those who attend their Leg Club. We know that there are myriad ways in which our volunteers have enriched the lives of Leg Club members and supported our clinicians during COVID-19 and beyond and we can't wait to hear them!

The entries will be judged independently by a panel of experts and the successful winner will be invited to attend the Leg Club Gala dinner.

Please submit your volunteer entry by **22 July 2022** to Lynn Bullock at: lynn.bullock@legclubfoundation.com
