Right Honourable Andrew Phillips, Baron Phillips of Sudbury OBE

The Lindsay Leg Club Foundation was extremely saddened to hear the news that the Right Honourable Andrew Phillips, Baron Phillips of Sudbury OBE passed away on the 9th April 2023.

As a former Liberal Democrat politician and member of the House of Lords, Lord Phillips was also a pioneering solicitor and a dedicated supporter of many charities including the Lindsay Leg Club Foundation.

Lord Phillips was one of the Foundation's earliest supporters and he very kindly hosted the launch of the charity in 2005 which was held in the House of Lords. He maintained an enduring relationship with us which led to his son, Oliver Phillips, becoming a trustee.

Despite his many other commitments, Lord Phillips was always a great believer in the work of the Foundation and the Leg Club model, and we are sincerely thankful for his kindness and support over many years.

Life president Ellie Lindsay OBE stated " it was a privilege to know and work with Lord Phillips. On behalf of the Leg Club Foundation board of trustees we would like to offer our condolences to his family."
