Are you looking for a new challenge and the opportunity to provide value?

The Lindsay Leg Club Foundation is seeking a part time business development professional to carry forward its valuable work. The deliverables will be facilitating the expansion of the Leg Club Network that the Foundation supports within the UK, to co-ordinate the provision of first-class educational initiatives to work effectively with multiple stakeholders.

This is likely to appeal to a professional with senior management experience in the development of healthcare initiatives, programmes or businesses, from within either the public or private sectors.

The successful candidate must be an excellent communicator and effective leader, with a sound business mind and experience in developing relationships with NHS providers, clinicians, educators and volunteers. They will most likely have proven managerial experience within the NHS or healthcare industry and a genuine commitment to the aims of the charity.

The successful candidate will work closely with the Chair of the Board of Trustees and well-established teams of clinical nurses and volunteers based around the country.

This is a rolling freelance contract, sustained by mutual agreement with the Board of Trustees. It is anticipated that the work involved will cover one or two days per week, again by agreement with the Board. The daily rate offered will be appropriate to the size of the charity and the seniority of the role.

The role will require travel within the UK. The successful candidate must possess a driver's license, be comprehensively insured for business travel, and have a vehicle in good clean working order and suitable for the task. Expenses can be claimed in line with the Foundation's expense policy. The role will be home based with regular travel around the country as required.

For further details, or to arrange an informal discussion please contact Lynn Bullock:
lynn@legclubfoundation.com

Applicants should send a cv and covering letter to Lynn Bullock at The Lindsay Leg Club Foundation, PO Box 689, Ipswich IP1 9BN or Email lynn@legclubfoundation.com

Closing date for applications: 30th July 2023
