### **Dr Amanda King's Podcast**

Listen to Dr Amanda King's model of care which is about Cost-effective care to prevent chronic illness and to live a healthier and happier life.

<https://lnkd.in/d25wb7Ct>

Dr King M.B.B.S (UWI), FRCP (Glas.), FACR, SLIMM (Gold), is the founding president of the Caribbean Association of Rheumatology. Her desire is to promote wellness, prevent disease, detect chronic illnesses early, in particular rheumatic disease and to empower patients to live well with their conditions, adhere to an agreed holistic management strategy so that as a team we can achieve cost-effective patient-centred care, with a to treat -to - target approach.
