The Bradford on Avon Leg Club has now reached its first birthday. The Committee and Members organised a wonderful party.

Derek gave a heart-felt speech. Ellie and Roland from the Leg Club Foundation were in attendance, along with the GP Partners and local friends of the Club.

The guests were treated to the magnificant CitySound Choir from Bath.

The Committee are most grateful to Trish, Annie and Bluebird Care for their help in serving refreshments.

The Partners of the Health Centre are very proud of Anna-Marie Ivory and the Leg Ulcer nurses for their skills and compassion.

The Leg Club now boasts over 250 members and has added footcare, a falls and balance class and treats 50 legs every Tuesday morning.

The social side of the Club is very important and all donations are used to support members outings. At Christmas 70 members and staff had a lunch at Cumberwell Golf Club.

In January 2015, Ellie Lindsay visited the Club to meet members and introduce new electronic audits which will aid the collection of healing rates.

In March 2015, the Leg Club was delighted to win the prestigious Wiltshire Public Health Award for Innovation and Health Improvement. It's a Team effort!
