Thetford Leg Club's Newsletter Oct 2017

We were very pleased to receive a cheque of £50 from the Lionesses, it was very good of them to think of our club, very much appreciated. **Thank you, Lionesses!**

Our new volunteer Nicky has been **making cakes** for us all to purchase, they are very popular with the members, I have been partial to her bread pudding myself. She has raised £30 for the Leg Club so far, let's hope she will continue. Many thanks Nicky.

The club is grateful for your support of the tombola too, either buying tickets or donating Items. This raised £30 for the club last month so thank you all. Soon we will be having **some Christmas Items** that will be seasonal and beneficial, so look out for these.

Alison will soon be a mum again, to a little girl this time. We thought it would be a bit of fun to **guess the weight of the baby**. The one nearest to the correct weight will win £10, so pop your name on the list next to the weight you think the baby would be at birth. **Good Luck!**

Wayne one of our volunteers, apart from making the teas, coffees and helping on the desk when needed, seems to have instigated a **film swap**. A good idea, we will see if we can help with this by finding some DVD's for the stock.

It was nice to see retired Dr Robert Bawden from the foundation at our club in September. He was helpful and encouraging as usual.

After the Norfolk Community Foundation funded us the rental cost of the Church hall for one year, plus our fundraising activities and donations, our Leg Club account is looking healthy right now. Thank you for your generous donations, this will all help to keep the Leg Club going next year too, so the **nurses can carry on their very good work.**

We are very sorry to hear that our club treasurer's dad (Monty) is very ill in hospital, although due to go home soon, our thoughts and best wishes go out to them both.

Please continue to put your **used stamps** into the **yellow pot**, they are being collected for the MS society, I've just sent off another large full envelope to them. Many thanks to the lady who brought in many stamps from her daughter's business. Don't worry if you only have one or two stamps to give (we don't get so many these days,) they all mount up.

It's the busy time up to Christmas now, so enjoy and don't forget to share any news, jokes or sayings with us for our newsletters.

Best wishes and kind regards to you all from us volunteers:
Frank, Jill, Linda, Nicky, Ted and Wayne.
