Who are we?

Leg Clubs are an innovative model of social prescribing, managing the treatment of patients with lower limb conditions such as leg ulcers, in a social environment.

The Devizes and Lavington Practices have been working with the Lindsay Leg Club Foundation (LLCF) since the club opened on 26th May 2016. Staff from the Devizes and Lavington surgeries run the Club with help from volunteers.

The Devizes Leg Club meets at Devizes Sports Club, London Road Bridge. It has 184 registered members, recorded 19 October 2017.

Admin work still to do at the end of each Leg Club session.
Staff update members' records for the surgeries.
