Membership Grows

Leg Clubs are an innovative model of social prescribing, managing the treatment of patients with lower limb conditions, such as varicose veins and leg ulcers, in a social environment.

The Devizes Leg Club, which meets at Devizes Sports Club, London Road Bridge, has 176 registered members - a further 26 since the number recorded at the AGM in July 2016. On average, we treat 32 members a week.

The Devizes and Lavington Practices have been working with the Lindsay Leg Club Foundation (LLCF) since the club opened on 26th May 2016. It is run by staff from the Devizes and Lavington surgeries with help from volunteers.
