## Chit Chat

### Busy as Ever

Leg Clubs are an innovative model of social prescribing, managing the treatment of patients with lower limb conditions such as leg ulcers, in a social environment. The Devizes Leg Club meets every Thursday at Devizes Sports Club, London Road Bridge. It is run by staff from the Devizes and Lavington surgeries with help from a team of volunteers.

The Devizes and Lavington Practices have been working with the Lindsay Leg Club Foundation (LLCF) since the club opened on 26th May 2016. Devizes Leg Club currently has **230** registered members.
