Three cheers for the Leg Club

Pauline Hawkins has been a member for nearly two years and nominated Devizes Leg Club for a Community Civic Award from Devizes Town Council which Mike and Dee received from the Mayor Cllr Andy Geddes. “It’s a brilliant place,“ says Pauline, “and the nurses are so caring. I thought the team of volunteers deserved nominating for all their hard work every week, making us feel at home with refreshments and friendship, and a wonderful bric-a-brac stall.” Photo: Mandy Langton
