

### **New JOBST® UlcerCARE Ready-to-Wear**

JOBST UlcerCARE is an efficacious, cost effective, and easy to use 2 in 1 compression system for managing venous leg ulcers.

The new ready-to-wear product, available on Drug Tariff from 1<sup>st</sup> July, consists of an inner stocking liner with silk content and an outer stocking available with or without zipper in a choice of either beige or black. Worn together, the 2 garments provide graduated compression of 40 mmHg. JOBST UlcerCARE Ready-to-Wear is now available in 7 sizes to fit a wide variety of leg shapes. The choice of colour for the outer stocking makes the product compatible with a variety of patient clothing styles.
