## Thank you from The Lindsay Leg Club Foundation

On behalf of the Trustees of The Lindsay Leg Club Foundation we would like to thank everyone who has donated so generously to our cause. We have raised over £5,000 to date and are continuing to receive donations. It has been a fantastic effort. Thank you so much for helping to keep our Leg Clubs going through this difficult period.

The Leg Club model of person-centred care has the potential to transform members lives by bringing them, clinicians, and volunteers together in a unique setting. Support such as yours to the Foundation is critical to enable us to continue our work throughout the UK, and further the development of new Leg Clubs so we can help even more people live better lives. Your support continues to allow us to do that and will be more appreciated than ever when we are through the current crisis and will value even more deeply the community in which we live.
