### **Mölnlycke Staff Get On Their Bikes For Charity**

Seventeen people from Mölnlycke Health Care recently got on their bikes for charity. Their efforts helped raise £2,500 for DEBRA, the national charity working to improve the quality of life for people with Epidermolysis Bullosa (EB) and fund research to find an effective cure.

The Mölnlycke team took part in the DEBRA Surrey Cycle and choose to cycle 30K, 60K or 100K depending on their ability. The challenge included the chance to tackle part of the 2012 Olympic Road Race course, including the Box Hill climb.

Mark Warren, Head of Marketing, says: "As a keen cyclist I signed up for the 100K ride, but ended up doing 115K, as I got lost, which although testing was great fun. I'm thrilled I have been be able to raise funds for such a great cause doing something I really enjoy."

Anyone wishing to donate can still do so at <http://www.justgiving.com/Molnlycke-Health-Care1>. People can also donate by sending a text to 70070, typing in MOLN93 and the amount they wish to give, for example £10.
