Mölnlycke Staff To Tackle Yorkshire Peaks For Charity Challenge

Staff from Mölnlycke Health Care will be tackling the Yorkshire Peaks Challenge in aid of DebRA, the national charity for people with Epidermolysis Bullosa (EB). EB is a very rare genetic condition in which the skin and internal body linings blister at the slightest knock or rub, causing painful, open wounds

The DebRA Yorkshire Peaks Challenge takes place on Saturday 1 September. Mölnlycke Health Care staff can choose to ascend one, two or all three of the Pen-y-Ghent, Whernside and Ingleborough peaks.

Mölnlycke Health Care is hoping to raise £10,000 and has set up a page on the Just Giving website so people can support the charity challenge. Anyone wishing to donate can visit <http://www.justgiving.com/Molnlycke-Health-Care>. People can also donate by sending a text to 70070, typing in BANS70 and the amount they wish to give, for example £10.
